PIC 1 :Chayil Foundation hands out shoes in Eldorado Park; Pic 2 : A quarter of a century ago, Rotary International, the U.S. Centers for Disease Control and Prevention, UNICEF and the World Health Organization set out on a quest to stamp out polio throughout the world. Today, that goal finally seems within reach. Over the past year, Nigeria has not reported a single new case of wild poliovirus type 1; reported cases in Pakistan have declined by 80 percent since mid-2014;

Rotary Foundation Trustee Chair Ray Klinginsmith asked district governors in training at the International Assembly to lead the celebration of the [Foundation's centennial](#) year, 2016-17.

You are the primary contacts between the Foundation and our 34,000 Rotary clubs in the world. The success of the centennial celebration is largely in your hands," said Klinginsmith at a 19 January general session. "Catch the spirit and spread the word about the importance of celebrating our success."

Since the Foundation was established in 1917, it has spent more than \$3 billion on programs and projects to improve the lives of millions worldwide, said Klinginsmith.

The centennial celebration officially kicks off in May at the Rotary Convention in Korea and culminates at the 2017 convention in Atlanta.
