Last Week

- Last week's meeting was our business meeting/Assembly with 10 members present. It is always amazing how many projects are in progress! We have completed the wheelchair ramp and walkway from the parking at the Guide Dogs Association, had one relatively successful blanket drive and look forward to this week's blanket drive at the Deutsche Schule. Dinaledi House is being ably managed by Rotarian Ansie Hibberd who has also purchased new seedlings for our garden project at Emthonjeni in Zandspruit. We are reliably informed that the latter has made a wonderful renewal of the gardens after the termite infestation was sorted out. Guild Cottage birthday celebrations are almost upon us and the Primary School Speech Competition (which has been going for well over 30 years!) is being planned. As you see above, Sihlangene Creches have received their Lego donation with the rest of the boxes being delivered soon.
- The business meeting was followed by an evening of fellowship and celebration of our 44 years in Service
