Our speaker

Wednesday 21 Sept was a discussion on our protocols. More on the reverse side.

Wednesday 28 Sept was the Speech Competition held at the De La Salle HC Junior School. A wonderful evening with 8 schools participating. From L-R. Sinead Mahony and Adam Gear of De La Salle Holy Cross College with the Winning School Trophy, President Andrew Buttress and Community Service Director Dean Gounden. Thanks to Dean for arranging a wonderful evening.

Northcliff protocol summary

With some debate, some humour and majority consensus and in the absence of the President, the meeting deliberated and decided to:

- Dispense with the Toast to the Anns.
- Introduce fining the President (a presidential veto may be coming here).
- Retain the Peace Prayer as symbolising Rotary's striving for and work towards international peace. However it would not be restricted to the Anns but for all willing Rotarians.
- Reintroduce an International Toast to a Rotary Club on the third Wednesday (Anns night) meetings. The toast to be researched, impart information and be relevant to the club being toasted. The toast should symbolise the international reach and fellowship of Rotary.

Change will always be with us and nothing is cast in stone. Sometime in the future we may even review the above.

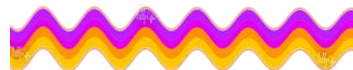

Ansie has been busy:

Blankets were fetched from Sesli and Francis.

- 50% of the blankets were handed out at Salvazione School. The COO of Isasa was there as well and enjoyed the occasion with us.
- 50% of the blankets were handed out to 3 small crèches in Zandspruit. This was a new experience to me. Scattered between the shacks are these little alcoves of care and safety for the little one's waiting for their parents to return from work. The kids are well cared for but it was such an unusual sight to see so many small children with not a toy or ball or book in sight. They just sit in the shack all day.

Mielie meal: The Interactors collected the mielie meal which was picked up by Ansie. 50 % will be given to Mariam Jacobs and the other 50% was handed out to Dinaledi.

The Speech Competition competitors. Well done to all of them for maintaining the customary high standard of the competition.

Humour Corner

A man was just waking up from anesthesia after surgery, and his wife was sitting by his side.

His eyes fluttered open and he said, "You are gorgeous."

Then he fell asleep again. His wife had never heard him say that, so she stayed by his side.

A few minutes later, his eyes fluttered open and he said, "You are beautiful!"

Then he fell asleep again.

After a few minutes, he again opened his eyes and said, "You are cute!!"

The wife was disappointed because instead of 'gorgeous' or 'beautiful,' it was now just 'Cute.'

She said, "What happened to 'gorgeous, beautiful?'"

Her husband replied

"THE ANAESTHESIA IS WEARING OFF!!"
