Diary of Forthcoming Events

10, 11 – 16 Feb. Rushmoor arrives

16 – 21 Feb. Kruger Park Rushmoor visit

The Board Meeting on Monday 9 Jan will give a lot more to the year

It is an inviting page full of hope and promise.

Our speaker

Our first meeting of the year was a surprisingly well attended fellowship event. President Andrew welcomed everyone and wished us all well for the year. The slots were extended and punctuated with humour of the goings over the festive season and the New Year celebrations. Paul took the opportunity to pass the fellowship trophy on to Jenny with the reminder that she has six weeks to pass it on. Go for it Jenny.

Lizzies Crèche: An Anns Project

Dean and Janet inspecting the site for the new toilets and working through the implications and costs. In this tiny area with only one standpipe for running water, they have some 60-65 children.

Some New Year Resolutions – with a calendar to fill them in.

- I will not bore my boss by with the same excuse for taking leaves. I will think of some more excuses.
- I will stop sending e-mails to my wife
- I will think of a password other than “password” or “hello”.
- I will stop considering other people’s feelings when they so obviously don’t consider mine – if that unwashed fellow sits next to me again, I’ll tell him he stinks!
- I will do less laundry and use more deodorant.
- I will give up chocolates totally.
- Just for today, I will not sit in my living room all day in my nightdress. Instead, I will move my computer into the bedroom.

- I will spend less than one hour a day on the Internet. This, of course, will be hard to estimate since I’m not a clock watcher.
- When I hear a funny joke, I will not reply.
- I will try to figure out why I really need ten e-mail addresses.
- I will not eat medicine just because it looks like candy.
- I will regularly wash my underwear.
- I will watch more TV. It’s very educational. Catch up on all those programs I missed down the years.
- I will play more computer games. Scientists say they’re good for me and improve my visual skills.
- I will eat more nice things like candy, Big Macs, popcorn, and ice cream. Eat less crap like fresh fruit, vegetables, and soy nuts

- I promise to stick to these resolutions for more than a week.
- I will learn what the “resolution” means.
- I will leave my brain at home while going to watch the supposedly scary movies.
- I will not hang around girls because they think I love them.
- I resolve to stop poisoning my family and friends with my cooking.
- I will stop exercising, because it is such a waste of time.
- I will stop being nice to cute guys
- I will use each of the 365 days to the fullest

May you have a wonderful 2017
